

How do I use LiteracyPlanet® ?

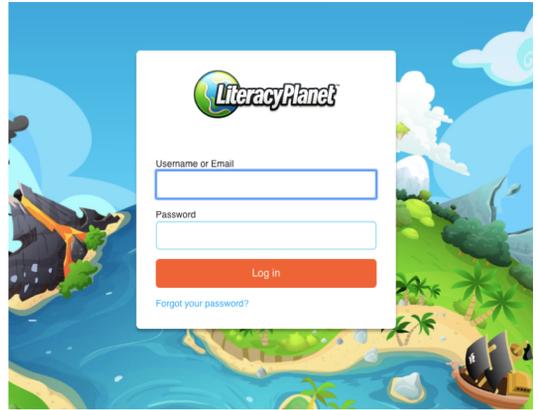

This is a simple guide for both parents and pupils on how to use Literacy Planet.

Step 1- Logins

You will firstly need your logins. These will be available from your English teacher in the week after Easter. This will be sent out via email or Google Classroom.

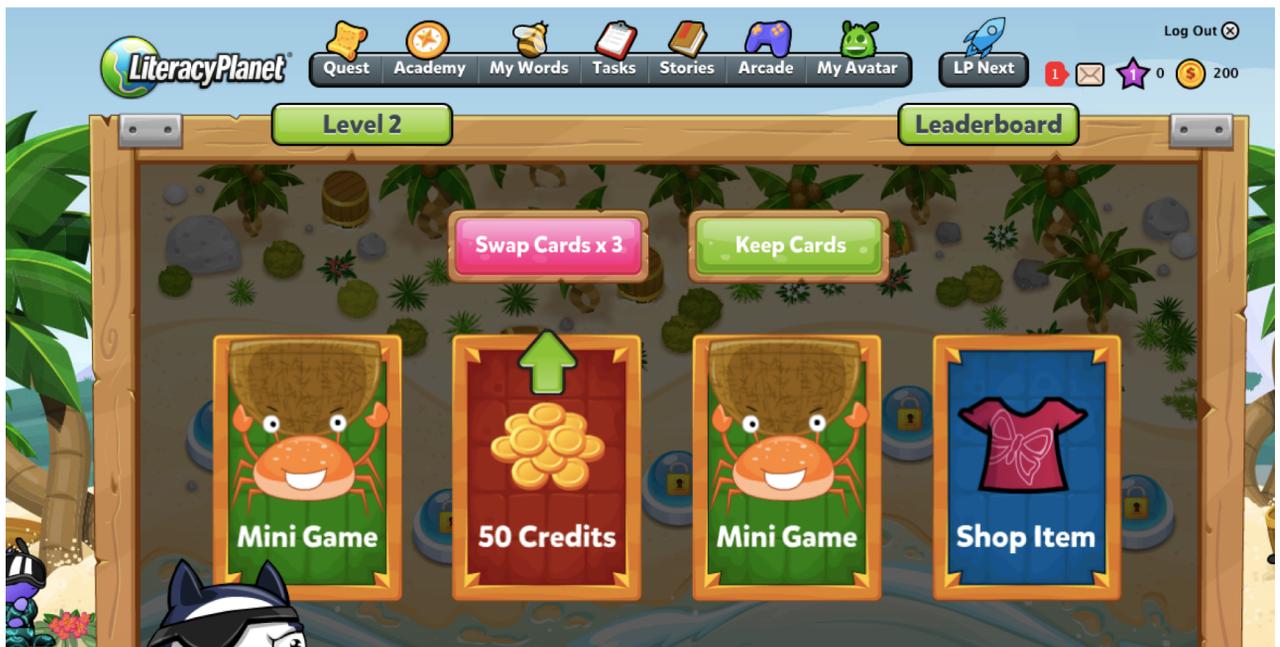

Step 2- Logging in

Next, visit www.literacyplanet.com and click sign in. Here is where you will enter your login and password.

Step 3- Finding work

Once you login, this is the page you will see.

Quest and Academy

These areas you can work through on your own. You should be looking to complete around **10 Quests per week** as a minimum.

My Words

Create your own spelling lists to work on at home.

Tasks

This is where work your teacher sets work for you to complete in addition to your Quests.

Stories

Comprehension based activities.

Arcade and Avatar

Here is where you can spend the coins you earn from completing your activities. The Arcade has loads of games for you to play!

Further Support
