

Congratulations to the 134 learners who achieved the CCYD Elite status. This afternoon we had a great time celebrating and sharing this achievement with parents/carers and learners at our afternoon tea event. We were treated with tea, coffee, cupcakes and an excellent musical performance, performed by learners at the school. To qualify and achieve the Elite status you need to show great resilience, demonstrate an excellent attitude to learning, and ensure you always do your best and work above expectations throughout the year.

The learners who achieved awards this afternoon continue to demonstrate these qualities and more every single day. As a result of the dedication they continue to show towards their learning they became members of the CCYD Elite.

It was a fabulous opportunity to share the achievement with all of our Elite winners and their families this afternoon. You should be so proud of your achievements, you are an asset to your families and we are so very lucky and proud that you are members of our school.

Congratulations and well done to each and every one of the CCYD Elite award winners.
