Dear Parents/Carers

GCSE Numeracy Revision Days

As we approach the GCSE Numeracy examinations, we are keen to ensure that all learners are fully prepared and confident. To support this, we will be holding revision days after half term as follows:

Monday 3rd November	Revision day 1 - non calculator
Tuesday 4th November	NUMERACY GCSE PAPER 1 EXAM - non calculator
Wednesday 5th November	Revision day 2 - calculator revision
Thursday 6th November	NUMERACY GCSE PAPER 2 EXAM - calculator

During these sessions, learners will:

- Review key topics and examination techniques.
- Work through past paper questions in exam-style conditions.
- Receive targeted support from their maths teachers to strengthen any weaker areas.

Learners should bring the following:

- Full maths equipment (calculator, ruler, protractor, compass, pencil, pen).
- A positive attitude and willingness to engage fully in the sessions.

We would appreciate your continued support in encouraging your child to attend school ready to learn on the revision days. Consistent practice and attendance at the revision days will give them the best possible chance of success in their GCSE Numeracy exam.

If you have any questions, please don't hesitate to contact me.

Thank you for your ongoing support.

Yours sincerely

Mrs C Pope
Assistant Headteacher
