Dear Parents/Carers,

Year 10, 11, 12 and 13 Easter Revision

As we approach the summer GCSE and A Level examination series, we are fortunate that many of our staff are willing to give up time during their Easter break to come into school to support our learners with their revision.

These sessions provide valuable opportunities for learners to revisit key topics, practise exam-style questions and receive targeted support from subject teachers. Attendance at these sessions can make a significant difference in building confidence and improving outcomes.

Please find attached the Easter revision timetable, which has been colour-coded for each year group. Please encourage your child to attend when they can.

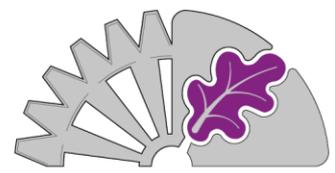

Yours sincerely

Mrs C Pope
